

We're excited to have you join us for worship today! Our hope is you have an unforgettable, life changing encounter with Jesus. We believe that happens when we passionately worship Him together and discover what God's Word is telling us. Our growth in the Lord happens not only during this service, but during small groups. We believe everyone should feel a sense of belonging in a small group and it would be our honor to help connect you with one.

### Next Week: Stewardship - Never Forget The Why

For our culture, the topic of money and giving is one of the most difficult things the Bible addresses, yet the Bible speaks clearly and abundantly on it. This series explores what the Bible has to say about how we as Christians are called to steward and use our finances for our joy, for God's glory, and for the expansion of His kingdom on this earth.
